Hunter: Samantha Look may be interested in organizing a show, and Julie said she would be willing to help. Jen spoke with Sarah McKay at Misty Meadows; Sarah said that Misty would participate if we put on a show. Perhaps we could aim for a Spring Fling show in 2022.

Pace Rides: Stephanie sent a report saying that the Fall Hunter Pace would be held on 10/10/21. It will start from the West Tisbury School and will include some jumps in the State Forest. She also reported that their new Forest Manager is on board with keeping trails cleared for horses, so please reach out to her with any concerns about low branches, fallen trees, etc.

Education: We discussed looking at dates for Lucile Bump, possibly in September or October. Ginny said that Grace Guck might be available to teach something of interest to Western riders.

Scholarship: Julie reported that Bella was thrilled to receive the scholarship this year.
